# Red Hill Bay Habitat Improvement Project

A Salton Sea habitat improvement project of the Sonny Bono Salton Sea National Wildlife Refuge in cooperation with; *Imperial Irrigation District, California Department of Water Resources, and Imperial County Parks & Recreation.*

## Protect Goals:

1. To restore Red Hill Bay into a healthy, marine wetland for migratory and resident birds.
2. To re-wet the bay to minimize salty dust from becoming air borne.

Estimated construction in 2016. For more information call the Sonny Bono Salton Sea National Wildlife Refuge 760 348-5278
